**Comfort**

The Power who pities man has shown  
 A blessing for the eyes that weep.

The light of smiles shall fill again  
 The lids that overflow with tears;  
 And weary hours of woe and pain  
 Are promises of happier years.

There is a day of sunny rest  
 For every dark and troubled night;  
 And grief may bide an evening quest,  
 But joy shall come with early light.

For God hath marked each sorrowing day,  
 And numbered every secret tear,  
 And Heaven's long ope of bliss shall pay  
 For all His children suffer here.
