

News From the Ute Stampede

The Concession committee of the Ute Stampede announce the signing of Monte Young for the Carnival concession on the midway

This concern is the same company who had the carnival during last year's celebration and are well known for the clean shows they operate. For this year's celebration they will have more rides than last year and will also have the largest portable ferris wheel in the world.

They also have a new ride that is exclusive in this territory.

The committee announces that there are a few available places left for concessions and any one interested should file an application immediately with the concession committee.

Harold William Roberts, rated as one of the foremost band masters of the United States, has sent definite word that he will be in Nephi for the State wide municipal band contests which are to be held in connection with the Ute Stampede here July 9, 10 and 11.

The assurance of Mr Roberts that he will be in Nephi to act as a judge of the contests, will add a great deal to the value of the contests to both the members of the bands and to band leaders of Utah cities and towns.

The Voting for the Ute Stampede queen is now in full swing but due to the short time that the voting has been going on, the votes will not be counted until next week. At that time the five girls receiving the highest number of votes will be published. The ballot box is on the steps of the Court house and everyone is asked to deposit votes as soon as they are received. The business houses are giving one vote with each 25c purchase.

Frank E. Wanlass, music director announces that the Nephi Municipal band will practice each Wednesday evening instead of Thursday evening, as heretofore. This is being done to increase the membership of the band and the attendance at the practices. All residents of this city who are capable of playing a band instrument are requested to make an effort to be at the practices and play with the municipal band inasmuch as increased instrumentation increases the playing and music quality of the band.

The Invitation committee of the Ute Stampede are desirous of receiving all names of relatives and friends of Nephi people who desire to send out invitations to this gigantic event. Phone your names to Mrs G. R. Judd.
